Globethics.net Publications

Globethics.net is a non-profit foundation with the sole purpose of promoting ethics and ethical development in all areas of society.

The ***Globethics.net Publications*** contributes to ethics education and applied ethics. Since the release of its first volume on Responsible Leadership by Globethics.net Publications in 2007, the publishing house has established itself over the past decade as a reputable source of literature in the field of ethics.

With over two hundred of books written and edited by authors and academics from all continents with works published over seven languages, the collective body of work truly represents a global approach to ethics. The books contribute to thought leadership through research to the international community.

One of the original convictions of the Founder and President, Dr Christoph Stückelberger, when he founded Globethics.net was to make reliable information accessible to individuals in developing countries. Following this direction, ***Globethics.net Publications*** is firmly committed to making scholarly works on applied ethics from theological, philosophical and social science accessible to a broad audience in all parts of the world.
