

## Digital Library

### Special Collections on Ethics in Higher Education

Main access to Globethics.net Library:

<http://www.globethics.net/library/home>

#### **Ethics in Higher Education** (97,142 documents)

The Ethics in Higher Education Collection aims to inform students, teachers and higher education administrators on ethical issues affecting university life, such as learning, teaching, research, educational technology, scholarly communication, governance, etc., and to understand how to advocate for the respective interests of all stakeholders and actors concerned, at the institutional, local, national and international levels.

Access: <http://www.globethics.net/web/ethics-in-higher-education/>

#### **Codes of Ethics** (7,199 documents)

The Codes of Ethics Collection is a thematic collection that aims to build a comprehensive structure of professional codes of ethics. The collection has six main parts: References, About

codes of ethics, Codes of ethics by sectors, Codes of ethics by professions, Codes of ethics by geography, Other voluntary ethical regulations.

Access: <http://www.globethics.net/web/codes-of-ethics>

### **Journals on education and ethics**

Collection of OA journals pertaining to education and ethics, complements the Library collections on Ethics in Higher education.

Access: <http://www.globethics.net/library/journals/education-and-ethics>

### **Educational Resources** (5,331 documents)

Collection of educational resources for learning and teaching ethics at all levels and in various contexts. At the moment the collection is mainly composed of open educational resources (OER) harvested from major OER repositories, such as LearnTechLib, OAsis, and OpenStax.

Access:
