ABOUT DMI

DMI Engineering College (DMIEC) is a Christian Minority institution of Higher Technical Education established in 2009. It is promoted and managed by the sisters of the society of DMI. DMIEC enhances the core strength of students and enables them to make significant contribution to the development of the society in particular and the nation at large. The Institution is approved by AICTE, New Delhi and affiliated to Anna University, Chennai

VISION

To provide disciplined life with the spiritual base to remain fully alive and fully human. To transform our institution into a quality technical education hub imparting updated technical knowledge to the students in rural areas.

MISSION

To develop dynamic and socially conscious technical leaders with professional ethics, human values and character to serve our motherland.

To train and impart necessary skills and interdisciplinary knowledge with a positive attitude in order to make them readily employable.
